NOTE Liability Limitation for loss or damage in this shipment may be applicable. See 49. U.S.C. 14706(c)(1)(A) and (B) and the additional terms, below.

The aggregate liability of all carriers and intermediaries (such as freight brokers) for loss of or damage to cargo transported within the domestic United States in connection with this Bill of Lading shall be limited to an aggregate maximum of \$100,000.00 per trailer used unless a higher cargo value is declared and either: (i) Info Carrier has agreed by separate written agreement to transport the cargo at a higher freight rate in exchange for a higher maximum cargo liability limit, in which case the maximum cargo liability will be as so agreed in exchange for payment of such freight rate; or (ii) Carrier has agreed by separate written agreement with the intermediary arranging the transportation to transport the cargo without any maximum cargo liability limit, in which case Carrier will be liable for loss or damage to cargo as agreed between the shipper and such intermediary (up to a maximum of the declared value). Merely entering a declared value on this Bill of Lading will not by itself increase the maximum cargo liability limit of
