Bin Policy: Buyer agrees to return all wood bins to Morning Star. For wood bins returned for product shipped during this contract period Morning Star will pay Buyer up to \$90.00 for each U.S. industry standard bulk wood tomato ingredient bin, regardless of markings, received in good, reusable condition & free of tomato residue at our facilities, in accordance with Morning Star's official, current Bin Policy. Buyer is responsible for returning/shipping the bins to the Morning Star factory warehouse at its own expense. Morning Star will track bin returns vs. shipped bin quantities and invoice the Buyer for the difference in quantity of returned wood bins vs. shipped bins at the average cost of a new wood bin purchased for that fiscal year as a replacement bin if bins are not returned by July 31st of each pack year, or three months after the end of the shipping period, whichever is later. Morning Star will provide Buyer with a bin return true-up approximately three month after the end of the current year contract shipping period. Buyer agrees to use its best efforts to return bins within three months of bin shipment date.
